<b>Additional information</b>	<p>The Yankauer is a rigid curved one-pieced design, made from a blend of clear, blue tinted shatterproof plastic. Edges are smooth and clear, with no flash or parting lines. Clear tips permit visual monitoring of suction fluids. A ribbed universal connector fits securely on all types of tubing.</p> <p>Each Yankauer is sterile and double wrapped in a polyethylene bag for easy aseptic removal within a peel-apart pouch. The tips are smooth with side eyes to suit the Yankauer capacity, ensuring maximum suction efficiency and patient comfort.</p> <p>The product is compatible with all major manufacturers of suction connecting tubes.</p> <p>The product is DEHP and latex free.</p>
